

Post Covid Safety Guidelines

We are looking forward to welcoming you back at The Lansdowne Hotel for The Irish House Party

The health and wellbeing of our guests and staff is our top priority.

Over the past number of weeks, we have been working on Safety Guidelines for our reopening. This involves the introduction of a range of systems that will ensure, as much as possible, that you will have a safe and enjoyable time with us

Hygiene

- Deep cleaning Protocols are in place
- Sanitising stations are positioned throughout the hotel
- We ensure additional cleaning of frequently touched areas
- Our public areas are cleaned throughout the day
- We have replaced cups and glasses with single use alternatives.
- We ensure room windows are opened to improve air circulation and increase air quality

Social Distancing

- We have installed protective screens to ensure minimum contact
- Please ensure you observe the social distancing floor markings provided
- We will ask for payments by credit card only.

Food & Beverage

- All serving staff will be issued with facemasks.
- We have redesigned our dining area and seating arrangements to ensure social distancing guidelines between tables

Training

- All staff have received a comprehensive hygiene and prevention training programme before returning to work
- All staff have temperature checks taken at the start of their shift
- PPE is provided for all staff

Thank you for your patience and for understanding the new normal.
